## WORKING EXPERIENCES

08/06/2020 – 31/08/2020 – COMO, Italy

Civil engineering studio collaborator - Dr. Ing. Paolo Della Bosca  
During this period (in summer) various tasks were assigned to me.  
The most significant are:

- Re-drawing of technical drawings using AutoCad.
  - Preparation and drawing of interior surveys
  - Collaboration during survey activities
  - 3D modeling with Sketchup
  - Rendering processes with Lumion
- 

01/01/2022 – Now – COMO, Italy

Archicomo Engineering SRL  
Architecture and engineering studio collaborator

In this work experience I assist and collaborate with the components of the study, in activities such as:

- Preliminary and detailed surveys with subsequent processing of the data (using Pentax total station, drone, manual instruments, DISTO)
- Drafting of graphic drawings (with Auto-CAD)
- Development of project proposals (Autocad-CAD, Photoshop, Indesign, Adobe Acrobat)
- Comparison with customers in the various design phases
- Verification of the technical-urban planning feasibility of the projects (consultation of municipal databases, PGT and related attachments)
- Use of 3D graphic representation techniques (SketchUp, Lumion, Photoshop)
- Drafting of detailed drawings with development of constructive details
- Summary estimates and bills of quantities (Primus, Excel, Word)
- Procedures for the request for quotation to companies and subsequent comparison (Outlook, email)
- Site inspections for construction management
- Security management with drafting of PSC and related verification inspections at construction sites (with Certus software)

03/02/2025 – now – Milano, Italy

Lorenzo Guzzini Architecture

Project assistant

In this work experience I assist and collaborate with the components of the study, in activities such as:

- Creation of maquettes
- 3D modeling
- Rendering
- Finding references for projects
- Creation of project brochures
- Collaboration in the selection of finishing materials
- Collaboration in defining the internal spatiality of architectures

## EDUCATION

12/09/2014 - 08/06/2017 - Third grade diploma  
Middle school Marie Curie - San Fermo della Battaglia (CO)

(final evaluation: 80/100)

---

12/09/2017 - 08/06/2022 - High School - Technical education diploma  
(buildings, environment and territory)  
ITIS Magistri Cumacini - Como (CO)

(final evaluation: 80/100)

---

12/09/2022 - Now - University - Degree in Architecture  
Politecnico di Milano

---
